Observation Deck with Fantastic View of Aakashi Kaikyo

At the observation deck offering
a fantastic view of Akashi kaikyo,
The flooring and walls have been
refurbished, and a vending
machine serving cup-style
beverages has been installed to
create a relaxing space.

Sundila Plaza

As a new symbolic exhibit,
We have received and are
Displaying the "Seiko
Jellyfish Sundial", which
was originally exhibited at
the Jellyfish Pavilion during
Expo 2025 Osaka, Kansai.

4F

Exhibition Area

We have revamped the exhibitions
themed about time and the space,
enhancing the museum's
capabilities to better showcase
Akashi-the city of the Japan
Standard Time Meridian.

3F

Planetarium

The country's oldest operational
planetarium projector continues
to serve the facility.
Thanks to upgrades to the audio
and visual systems, it now delivers
powerful sound and stunning,
full-dome imagery.
We offer a projection experience
that is both traditional and innovative.
